School Attendance Areas

The School Board decided to formally define the school attendance areas for the two schools in the Peace region. The school attendance area of École Héritage in Falher and École des Quatre-Vents in Peace River will both have a radius of 80 km, with the possibility of exceptional cases upon request.

2020-21 School Re-entry Plan

The Minister of Education presented the 2020-21 School re-entry plan which considers three scenarios. Various components of scenarios 1 and 2, which include in-school classes, were discussed. Some requirements will have an impact on the budget, such as PPE and cleaning materials, others will affect the daily operations with the students in the school (NB - Scenario 3 considers continuing at-home learning).

For the moment, the scenarios are well detailed, and the Board is preparing accordingly. The Minister of Education said it would announce at the latest on August 1st the scenario that will be implemented in September. It is hoped that this will be scenario 1, but this will depend on the conditions related to public health.

Supreme Court Judgment

The Board applauded the good news surrounding the Supreme Court of Canada's decision in favour of the Conseil scolaire francophone de la Colombie-Britannique (CSF) and the Fédération des parents francophones de la province (FPFCB) regarding the mode of financing of French-language education in a minority context. This judgment is a great victory for French-language school boards and supports the obligation of the provincial and territorial governments to fulfill their constitutional responsibilities with regards to minority language education rights.
