Résumé de la réunion ordinaire du

28 octobre 2026

BOARD HIGHLIGHTS | **October 28, 2026** | **St-Isidore, AB**

Enrolment as of September 30, 2026

The **CSNO has 433 students** from kindergarten to Grade 12, compared with 475 last year. This brings enrolment back to a level comparable to 2024, following a significant increase in 2025. The decrease is mainly at the elementary level, while **strong retention at the secondary level** continues.

Policies

The Board adopted **Policies 15 (Language Policy) and 16 (Eligibility Criteria)**, with the amendments recommended by the Governance Committee.

International Trip

The Board approved the **2027-2028 trip to Italy** proposed by **École des Quatre-Vents** for students in grades 10 to 12.

School Transportation

To improve bus routes following the relocation of **École Héritage** to McLennan, an **eighth bus route** will be in service as of November 16.

School Council Reports

The Board received the annual reports of the school councils of all three schools and thanks all members for their valuable commitment. It encourages them to continue their efforts to ensure that reports comply with the administrative directive. The Board also reminds everyone that the official name is "school council" rather than "parent committee."

Administration Reports

Superintendent's Report - Discussions focused on the following:

- **Take Our Kids to Work** – CSNO high school students are taking part in this day on November 4;
- **Driver Education** – 35 CSNO students are enrolled in the course, an excellent participation rate. This service, like other CSNO services, will be better promoted in schools and the community;
- **Central Office Restructuring** – a consulting firm is reviewing central office operations. Its report, expected soon, will support the CSNO's advocacy regarding its unique administrative challenges.

Treasurer and Operations Manager's Report - The financial report will now be presented at the October, January, March and June meetings. The Board also approved the **transfer of the financial operations** of École des Quatre-Vents and École Nouvelle Frontière to **Vision Credit Union**.
